

Add *Sprintvrs.tv* to your D-Link™ or VP-100™

1 Select **Dial** by pressing **ENTER** on your remote control.

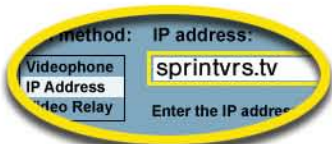

1a For VP-100 only: Select **Speed Dials**.

2 Select **Add**.

3 In the **Name** box, type **0sprintvrs**.

4a For VP-100 only: Select **IP Address** and then type **sprintvrs.tv**

4b For D-Link only: Type **sprintvrs.tv**

5 Click **OK** to close the Speed Dial window.

6 **0sprintvrs** now shows on the **Dial List**.

For Spanish VRS users:
espanol.sprintvrs.tv

For Voice Carry-Over VRS users:
vco.sprintvrs.tv

"I'll show you how to make a video call."

1 Select **Dial** by pressing **ENTER** on your remote control.

2 Select **0sprintvrs** and press **ENTER**.

3 You are connected to **Sprint VRS!**

For Hearing callers:

- Call **877-709-5776**.
- Provide the VRS user's IP number or extension number to a Video Interpreter.
